This series of Arabic lessons will be dedicated to teaching the daily-spoken Levantine dialect. ### What should you expect?

Welcome to our level B1-1 Arabic Language Course, where linguistic prowess and cultural immersion converge to elevate your Arabic language skills to remarkable heights. This course is particularly designed to cater to students who possess a solid foundation in Arabic and are eager to ascend to an even greater level of proficiency.

### Why us?

Learning Arabic was never easier! Online access to our digital classes through Alsharq REISE allows learning your favorite language from the comfort of your home. We meet once a week to take a closer look at Arabic together, learn about the language's history, alphabet, and guide you smoothly to reading, writing, and speaking one of the most poetic languages known.

### Why Levantine?

Learning a language is always about engaging with the community and getting a true sense of what that language represents to locals, and how they interact on a daily basis. That’s why we chose for our course the Levantine dialect, one of the six main varieties of colloquial Arabic spoken across the Arab world, as it is the main vernacular spoken in Syria, Lebanon, Palestine and Jordan. Compared to the Modern Standard Arabic (MSA), used more formally, Levantine dialect is easier to pronounce and understand, widely spoken, and more accessible, being adopted by most of the art and cultural movements in the Arab world.

### Information about the course

By booking this language course, you are choosing a 10-week group language course, which will take place digitally once a week. It starts on Tuesday, April 16 from 18:30 to 20:00 (CET). Then there are 9 more sessions, every Tuesday at the same time.

The course officially ends on June 18th with a small final test. If you pass the test and participate regularly, you will receive a certificate of participation from us.

Participation in the course takes place via Zoom, a digital meeting system. We recommend downloading the app, but you can also dial in via your browser. You will receive the dial-in data after booking as part of a detailed preparatory email.
