Tour Title:

Arabic Course B 1.1

Tour Date:

04. September 2024 to 06. November 2024

This series of Arabic lessons will be dedicated to teaching the daily-spoken Levantine dialect. We will surely come across words from the Modern Standard Arabic (MSA) language, or as officially known as “Fos-ha”, however, we elected to teach you a language you can use with your friends, not the one required to do your PhD!

What should you expect?

Welcome to our level B1-1 Arabic Language Course, where linguistic prowess and cultural immersion converge to elevate your Arabic language skills to remarkable heights. This course is particularly designed to cater to students who possess a solid foundation in Arabic and are eager to ascend to an even greater level of proficiency.

Why us?

Learning Arabic was never easier! Online access to our digital classes through Alsharq REISE allows learning your favorite language from the comfort of your home. We meet once a week to take a closer look at Arabic together, learn about the language's history, alphabet, and guide you smoothly to reading, writing, and speaking one of the most poetic languages known.

Why Levantine?

Learning a language is always about engaging with the community and getting a true sense of what that language represents to locals, and how they interact on a daily basis. That’s why we chose for our course the Levantine dialect, one of the six main varieties of colloquial Arabic spoken across the Arab world, as it is the main vernacular spoken in Syria, Lebanon, Palestine and Jordan. Compared to the Modern Standard Arabic (MSA), used more formally, Levantine dialect is easier to pronounce and understand, widely spoken, and more accessible, being adopted by most of the art and cultural movements in the Arab world.

Information about the course

By booking this language course, you are choosing a 10-week group language course, which will take place digitally once a week. It starts on Wednesday, September 4th from 06:30 to 08:00 pm (CET). Then there are 9 more sessions, every Wednesday at the same time.

The course officially ends on November 6th with a small final test. If you pass the test and participate regularly, you will receive a certificate of participation from us.

Participation in the course takes place via Zoom, a digital meeting system. We recommend downloading the app, but you can also dial in via your browser. You will receive the dial-in data after booking as part of a detailed preparatory email.

What are the learning objectives?

In this course, we aim to refine your language capacities and proficiency in Arabic through a multifaceted approach that covers cultural, socio-political, and linguistic aspects.You will learn to communicate fluently about various new cultural and socio-political topics, enabling you to engage in meaningful discussions about current events and societal issues in the Arabic-speaking world. You will explore diverse topics such as folk music and dance, as well as local traditional industries, gaining a deeper appreciation of the rich cultural heritage.

Furthermore, you will delve into the life and work of two influential characters in the fields of literature and politics, providing you with valuable insights into their contributions and impact. Through tree exercises, you will practice analyzing verbs and their derivatives, enhancing your grammatical understanding and language skills.

In addition, the course will focus on expressing complex ideas using conditional tenses, allowing you to articulate nuanced thoughts with greater clarity and precision. Finally, by engaging with Arabic culture and real-life scenarios, you will demonstrate improved speaking and listening skills, further boosting your overall language proficiency. At the end of this course you will be able to:

- Communicate fluently about various new cultural,and socio-political topics.
- Discuss diverse topics such as folk music and dance, and local traditional industries.
- Explore the life and work of two influential characters in the fields of literature and politics.
- Practice analyzing verbs and derivatives using the tree exercise.
- Express complex ideas using conditional tenses.
- Demonstrate improved speaking and listening skills through engaging with Arabic culture and real-life scenarios.
